Steering Notes

Student Environmental Center

Attendees: Jason, Megan, Desiree, Kat, Jeff, Joyce, Sergio, Nick

Updates:

SOS:

- Not many people came to Food Systems Working Group
- A lot of RAs, CRE interested in the project
- Organic College night on Thursday the 5th
- Oakes Garden project next quarter

Waste Prevention:

- Strawberry festival, multi-cultural event on campus
- Natalie interested in coming back as Waste Prevention coordinator
- NS: Talk with Nicky about this and consider stipend ramifications

Co-Chair Updates:

- Jason unable to attend Community at Work again
- Jeff sent out a draft Friends of the SEC letter
- Desiree and Sergio went to StEvo
- Sophie wants to come to StEvo, StEvo can discuss this
- Sophie begins her Earth Summit extension position on Monday

Earth Summit:

- Fun, success
- SEC poster didn't get printed
- Would have been better if SEC was pointed out more

Website:

- Need a new trainer for website
- Stipulations: know Drupal or willing to learn (ie willing to learn new systems)

- Website person must be excited about being involved in the environment, design person doesn't necessarily
- Potentially have a new web intern who works with ESLP and CSC
- Contract with sustainable web hosting is up July 1st
- Approve an ER for the Web Intern position, considering these stipulations and websites
- We do not need an ER for the design person, we only need a Web Intern
- NS: Nick will come up with interview questions for designers.
- NS: Go over previous ER at co-chair and then submit to Nick before posting it

Sustainability Office Letter:

- See letter

Sustainability Office Referendum:

- Pro/Con statements due May 8th
- Will postpone discussion until we have a further grasp of the office letter.

Next Steps:

- Nick will come up with interview questions for designers.
- Go over previous ER at co-chair and then submit to Nick before posting it
- Talk with Nicky about being a co-coordinator with Natalie and consider stipend ramifications
